

City of Tatum

RESOLUTION

WHEREAS, the City of Tatum has no Zoning Ordinance at the present time, and

WHEREAS, the Tatum Church of Christ wishes to enlarge their present building at the present location, which will bring their building very close to the property line,

NOW THEREFORE, BE IT RESOLVED that, in the absence of a City Ordinance concerning the closeness of buildings to property lines, we, the Board of Aldermen of the City of Tatum hereby authorize the Tatum Church of Christ to extend their building addition up to the west line of their property, which is adjacent to a dedicated city street. Any ordinance or code which is to be adopted at some future time will not take precedence over this resolution.

This resolution is hereby read, approved and passed this, the 28th day of June, 1979.
